I guess everyone knows by now that the June campout was canceled due to lack of participation.

I'm not sure what everyone has been doing, but Eva and I have spend most of our time with our be-hinds sitting on the bleachers at the ball parks, and it "ain't" over yet.

I did get a report that the Filip's spent a few days at the Lincoln Parish Park just relaxing. The Haynes and Weatherford's spent a few days at Riverfront RV park in Vidalia with grandkids. It was reported that the guys caught enough fish for a big fish fry.

I hope more of us are able to make it to the July campout in Colfax. That will start on the 17<sup>th</sup>.

We will have "potluck" so everyone just bring your favorite dish. Of course there is a grocery store there and if at the last minute we decide to do something else we can.

None of our members were born in July, but the Bergeron's were married on the 31<sup>st</sup> and the Daughtry's were married on the 18<sup>th</sup>.

**Monthly Gift:** Since the June campout was canceled I moved the Hampshire's, Bergeron's and Waymon forward one month and moved the Daughtry's from September into the October slot, since the October trip was canceled. No other changes were necessary If need be we can discuss this at the next meeting.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their **Creator** with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed. That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.
