What a great time at Poche's in August! The Luau was a blast and we have the pictures to prove it. If you have not already done so, go to the website and check them out. [www.rainbow-riders.net](http://www.rainbow-riders.net).

Here is a picture of our Luau cook manning the IMU. Check out those legs!

(IMU - a Hawaiian oven that you dig in your backyard and stick a pig in)

The meal was absolutely fantastic. Huey cooked 15 pounds of pork using his magic to bring out the best. The side dishes furnished by everyone brought it all together for a great feast.

Charlie Weatherford caught a few fish, but he missed his fishing partner John. The Haynes are vacationing in United Kingdom.

Some of us made it over to Carolyn's in Cecilia for dinner Thursday. I think some even went Wednesday and of course we made it to Zapote Mexican Grill in Breaux Bridge for Mexican.

Looks like we are gonna have to start a column for the sick each month. Bob Walker had 3 more stents "installed" then a pace maker. He is doing well. Al Lauret had some throat surgery and he is doing well. Margie Hampshire fell while preparing the motorhome for a trip and broke a rib. She is doing much better. I had some minor surgery to remove a cyst from my left forearm. What's the old say - these are the golden years?

We will not be camping in September. Some of our members are going to Branson. Jack is leading that expedition.

We will be heading east to the Mississippi River in October, camping at River View RV Park on the banks of the mighty Mississippi starting on the 22<sup>nd</sup> (4<sup>th</sup> weekend.)

It was decided at the August campout we will eat out rather than prepare a meal at the park. Both Vidalia and Natchez have some good eating places. I will put some links on the website of things to see and do while in that area.

Be sure to call or email Jack about 10 days prior to the campout and let him know whether you are going or not.
